May 21, 2020

Dear Parents of and the Class of 2020,

Today I am writing with important details concerning the upcoming final exams and graduation. The 108th commencement exercises of All Hallows High School will be held, for the first time, virtually on June 6, 2020 at 3:00 P.M. Although we will not be celebrating physically together at St. Patrick’s Cathedral, we will be together as a family online thanks to a spectacular video creation by Mr. Caban. The link to this event will be provided closer to the date and will also be posted on the Alert on the All Hallows website. We will continue to monitor the situation and look for guidance from the State. We certainly hope to hold a face-to-face Diploma Ceremony when it is safe to do so.

Beginning May 26th, your son will begin to take his final exams online. The schedule for exams is at the end of this letter. Also the final exams can provide one last opportunity to raise his average. Please help us prepare him for these all-important final exams.

Please note that all financial obligations need to be met before any student may receive a final transcript or diploma. If you have any tuition questions please contact Mrs. Ruth Cruz at rcruz@allhallows.org. Many colleges and universities determine your son’s core courses based on his final transcript. Please assist in making sure this is not delayed for finances.

Many of you have probably seen schools on the news hosting a drive-by the school parade to pick up a lawn sign or other special graduation items. We know this is not possible for us to do since that would result in putting many of our families in harm's way. However, that did not stop us from thinking. Although the details have not fully been worked out, I would like to make you aware that a couple of members of All Hallows and I will be driving through your neighborhood to deliver some surprises the week of June 1st. Next week I will send a list of which students we will be aiming to get to each day. We will begin the deliveries around 10am and conclude probably around 3pm. I will call you before we arrive (as we are departing from our previous stop), either on the student’s cell phone or parent cell phones. Please meet us outside on the sidewalk to receive your special graduation gifts. We will follow social distancing regulations and we will be wearing masks and ask you to do the same. The number we will be calling from is 914-506-2067. Unfortunately, we cannot give each family an exact time for our arrival. However, we will try to let you know ahead of time the day of our visit.

On Thursday, May 28th at 12:00pm we will have another senior hangout. Here is the meet information: click this link: https://meet.google.com/qzj-nijb-bsa. Otherwise, to join by phone, dial +1 929-251-5609 and enter this PIN: 606 104 619#. Although this might be our last senior hangout before graduation, know that I plan to continue to have hangouts with you as alumni following graduation in June and through the summer.

In closing, let me thank each and everyone for your remarkable support throughout your son’s high school career. Your love of family, faith and All Hallows has been a source of inspiration to all of us especially during these unprecedented times. I know this may not have been the way any of us
predicted senior year would end but to quote Jimmy Dean “I can’t change the direction of the wind, but I can adjust my sails to always reach my destination”.

Live Jesus in Our Hearts….. Forever!

God Bless,

Susan A. Natale
Principal
